CONGRESS & FAIRS

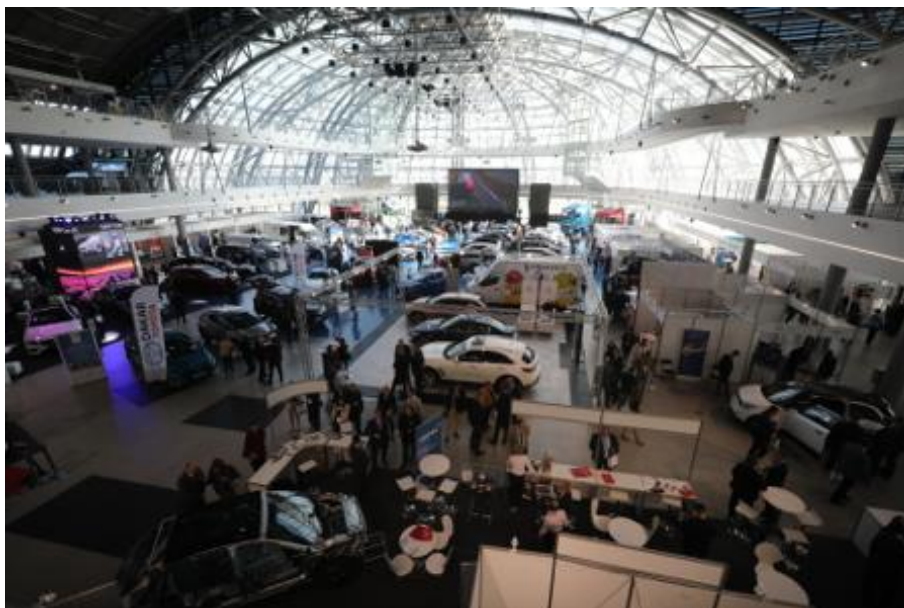

28 - 29TH SEPTEMBER 2018

Enterprise Europe Network International B2B Meetings for Automotive, Auto-Fleet, Transport&Logistics, Automatics&Service during TSLA EXPO 2018 Jasionka/Rzeszow, September 28th 2018

We have a great pleasure to invite you to participate in **B2B Meetings** organized by Enterprise Europe Network operating within The University of Information Technology and Management in Rzeszow. The event will take place during 2nd edition of **TSLA EXPO 2018** in G2A ARENA The Exhibition&Congress Centre in Jasionka near Rzeszow. B2B Meetings are one of the most effective form of co-operation establish without financial resources' involvement. Direct bilateral meetings of potential partners in one day and one place create opportunities to obtain comprehensive information about the offer and present the company's capability and expectations.

The first edition of TSLA EXPO RZESZOW has gathered nearly 4,500 guests and 100 exhibitors. Among congress' and fair's visitors were Marshal and Voivode of Podkarpackie Region, ambassadors, parliament's representatives, local authorities and scientists. Business was represented by managers of both small and medium-sized regional as well as the largest Polish and foreign companies. Among participants were automotive industry producers including East Automotive Alliance and Polish Automotive Group, suppliers of transport and logistics services, cars' dealers, IT technology and financial institutions, local stakeholders.

The growing international interest of the event contributed to fair's offer widen by previously arranged 25-minutes B2B Meetings.
